

## 2022 PHIB Program Overview

- This program opens for applications on March 15, 2022 and the deadline to apply is November 30, 2022 – or until all funds have been distributed.
- To be eligible for this program, a member must have volunteered a minimum of 24 CUPP hours during the 2021 calendar year.
- The member must be current on all dues throughout the entire awards process, or be a dues exempt retiree.
- The actual expense incurred by the member, or the payment made by the member must occur between January 1, 2022 through November 30, 2022.
- The maximum award for each member is \$500.00 per year.
- Each member may only apply for one assistance program per year and each member may only submit one application each year. The minimum receipt considered on an application will be \$100.00. A maximum of 5 receipts will be accepted on any application.
- This is a reimbursement fund. The expense must have already been paid, and a copy of the actual receipt must be attached with your application.
- Please use the correct application. The use of the wrong application will result in the application being denied. Receipts attached to the application must be specific to the application.
- All applications will be date-stamped based on date submitted on-line, or in the case of a retiree - the date received if delivered personally, or post marked if mailed. Applications are not accepted by fax or email. Applications will be given priority based on the date received. Only retirees may submit a printed application, all others must be submitted using the WuFoo app (the links are below).
- The CUPP Oversight committee meets once each quarter to review applications. It is expected that if your application is approved, funds will be dispersed within 90 days of your application being received.
- The CUPP Oversight committee will make recommendations to the SWRCC Eboard regarding which applications should receive an award. Final decisions are made by the SWRCC Eboard.
